

What is Artmap Argyll?

Artmap Argyll is a network and membership organisation open to professional and aspiring artists alike. We help artists network with each other and to share their work and experience with a wider audience.

Our annual Open Studios is Argyll's premier visual arts event and it is evident that sales and revenues provide a boost to the local economy.

As a social enterprise, all our funds are used for activities that benefit Argyll's artists and communities. We are looking for new artists to join Artmap in 2022.
